ABOUT THIS PACK

Raise the ranks

Every Soldier in Babylon Dialectic: the five from the starter decks and the 12 of Set I, plus the Legionary token. Soldiers wait in your barracks and muster onto the front line, so every deck wants a few.

Print two or three copies of this pack with your starter decks and you will have a pile of every Soldier type, ready to mix into any army. The lore pages tell where each one came from.

These cards are Yu-Gi-Oh sizing, 59 x 86 mm, the official size of Babylon Dialectic. Magic sizing, 63 x 88 mm, is available in the Printables room of the Museum.

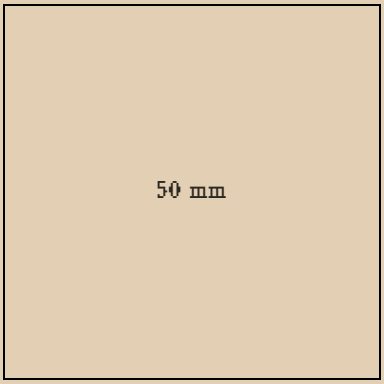

BEFORE YOU PRINT

How to print

1. Print pages 7 onward **double-sided, flip on the long edge**. Each card sheet is followed by its back sheet.
2. Set the scale to **Actual size** (100%). Turn off "fit to page" and "shrink to fit".
3. Measure the 50 mm check square on this page. If it is not 50 mm, fix the scale first.
4. Cut along the marks in the margins. A paper trimmer is faster than scissors. Use a bit of corner rounding if you like.
5. Sleeve each card over a spare card or a stiff backer. Matte paper at 120 gsm or heavier feels best.

These cards are Yu-Gi-Oh sizing, 59 x 86 mm, the official size of Babylon Dialectic. Magic sizing, 63 x 88 mm, is available in the Printables room of the Museum.

The deck is 2 sheets of nine cards. Single-sided printing works too: glue or sleeve each front to its back.

Cards and art are public domain or openly licensed. Babylon Dialectic is free to play and free to print. Credits are in the game.
